SAFEGUARDING

Keeping every child safe, supported and heard

WINTER PROTECTION:
FLU & SEASONAL ILLNESS

As we move into the winter months, we would like to remind parents and carers of the importance of protecting children and families against seasonal illnesses, including flu.

Free NHS flu vaccination is offered to school-aged children up to Year 11.

Please respond to school immunisation communications.

- Wash hands regularly with soap and water.
- Use tissues for coughs and sneezes.
- Keep children at home if they have a high temperature and feel unwell; return when they feel better and no longer have a high temperature.

Further information is available at: nhs.uk/vaccinations/flu-vaccine/

"It's JUST a game..."

Why not? Here's why GTA VI is a safeguarding concern:

Grand Theft Auto VI (GTA VI) was released on 19 November 2026 and has an 18 age rating for a reason. It contains adult content, including:

18

- Graphic violence
- Criminal activity
- Sexual content and sexual violence
- Drug and alcohol references
- Strong language

This content can be upsetting, normalise risky or harmful behaviour and is not appropriate for children or young people.

Advice for parents and carers:

- Check age ratings before buying or allowing play.
- Talk openly about violence, consent and respectful relationships.
- Use console parental controls and supervise gaming.

We Care | We Challenge | We Commit
