

## FOCUS ON: ABSTRACT PHOTOGRAPHY & EXPERIMENTAL EDITING

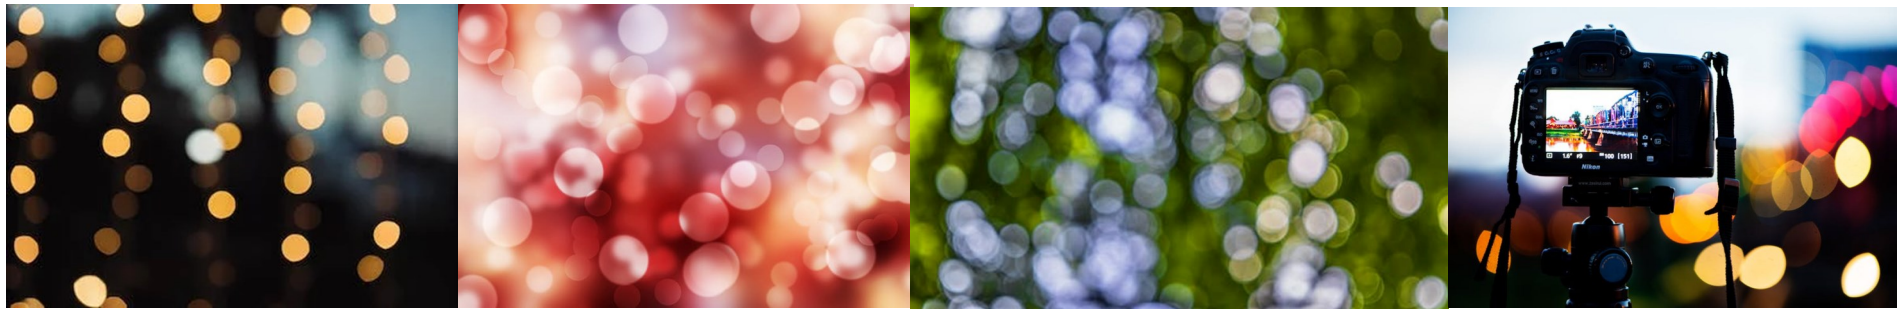

Teacher examples

Inspiration and experimentation with techniques. Equipment needed. Photo editing to create abstract photos

## FOCUS ON: BOKEH PHOTOGRAPHY TECHNIQUES

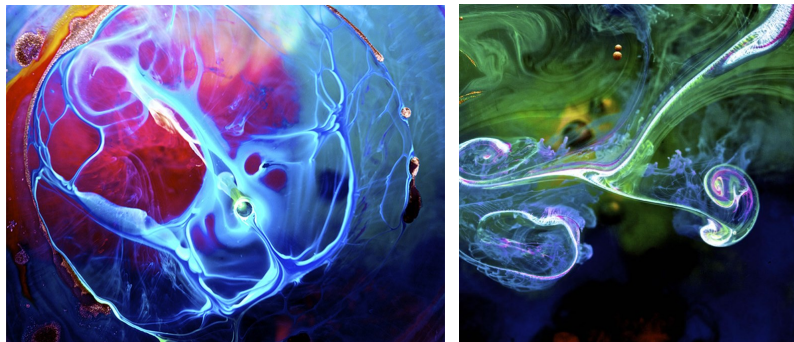

Teacher examples

Create BOKEH using fairy lights, manual focus and changing the distance between the camera and the object. Top tip: use tinsel and sparkly fabric to create different coloured bokeh effects or mirrors to create reflections.

## FOCUS ON: RESPONDING TO PERY BURGE

Teacher example

Pery Burge uses experimental materials such as paint, milk, oil, ink, & washing up liquid swirled together.

We can use Photopia to create artists copies using layers, blur tool and eraser.
