

Assessment and Home learning overview Year 10 Art & Design		
Assessment	Time	Assessment Details
Termly assessment of coursework using AQA assessment criteria.	Ongoing	Assessment is based on exam board assessment criteria (see link attached). As the work builds up, more criteria are met and are more developed. As well as the specific artist development work below, you are expected to continually be taking your coursework home and completing/developing your work started in class, and developing your own independent ideas.
