

ART TEXTILES YEAR 10 SUMMER HOMEWORK

Working on your textiles coursework over the summer holidays is an important way to develop your ideas and potentially raise your grade. Explore the tasks below, which should be possible using the resources you already have. If you wish to borrow any equipment, please ask.

Primary photography

Collect a range of photography for **THREE** of the following themes; animals, plants, landscapes, identity, fragments, structures/buildings/architecture, journeys, movement. This should include close-ups and those with foreground, middle ground and background as shown below, think about capturing textures, forms/shapes, colour and patterns. These can be taken where you live or any places you visit over the summer, take pictures everywhere to get a range of imagery.

STRETCH: Primary sketchbook

Sketch 3 of your images, you can use any media including pencil, pen or paint. You could also make notes to describe the images, textures, colours, shapes, and describe why you have chosen to sketch the image, like a diary entry.
