

Fulwood Academy- KS3 Grade Descriptors- Art

Level	Skill	Creativity	Presentation
1	Demonstrates weak skills in most or all areas. Limited or no grasp of techniques.	Minimal or no use of composition, lacks originality or individual thought.	Poor presentation with little care for the final output. Shows minimal effort.
2	Shows an inconsistent understanding of the skills being taught. Some basic techniques are attempted.	Inconsistent use of composition and limited expression of individuality or creativity.	Presentation is inconsistent, showing a lack of attention to detail in some areas.
3	Demonstrates a general understanding of techniques. Some areas show competence.	Applies good composition in some aspects, beginning to show own ideas and some creative risk-taking.	Attempts good presentation, but not consistent across all areas. Some pride in work is visible.
4	Shows a good skill level in most areas, demonstrating solid technique.	Exhibits a good understanding of composition with clear evidence of individual thought and originality.	Presentation is generally good, showing clear effort and pride in the work.
5/6	Displays consistently high skill levels across all materials and techniques. Mastery in technical application.	Creativity is exceptional, with unique, varied ideas, demonstrating risk-taking and innovative development.	Presentation is excellent in all areas, with a polished final piece reflecting high care and attention to detail.
