

Fulwood Academy- KS3 Grade Descriptors- Textiles

Level	Skill	Creativity	Presentation
1	Weak skills in most or all areas, struggling with basic techniques in textiles.	Minimal or no use of composition and original designs. Lacks creativity and personal ideas.	Poor presentation, showing little care or attention to detail in the work.
2	Inconsistent understanding of the skills taught, showing some grasp but with many gaps.	Inconsistent use of composition and design, with limited individuality. Shows a basic understanding of creative processes.	Presentation is inconsistent, with some attention to detail, but lacking overall polish.
3	Demonstrates a general understanding of textiles techniques, showing progress in some areas.	Good use of composition and design in some aspects, with a few original ideas emerging. Shows more creativity and risk-taking.	Presentation is improved with an attempt at good quality, although not consistent throughout.
4	Displays a good skill level in most areas, demonstrating solid textile techniques.	Good understanding and expression of individual thought in designs, showing originality and creative development.	Presentation is generally good, with clear effort and pride shown in the final product.
5/6	Consistently high skill level across all textile materials and techniques, showing mastery.	Creativity is unique and bold, demonstrating variety and risk-taking in ideas and design development.	Excellent presentation in all areas, with a highly polished and professional finish.
